Am F
Smiles and ocean breeze

Every star and mountain autumn leaves

Speaking of a glory underneath and far above the earth

Whispers songs in the night
Lost within a love that opens the eyes
Standing here I find myself in your sight
I have found a home

CHORUS:

You are the strength of my heart and my portion forever
You are the strength of my heart and my portion forever

VERSE 2:

Laughter joy in the night
I gaze upon the truth that opens the eyes
You defined love on the cross where you died
You've risen from the dead

Morning breaks through the clouds
Everything you made responds to the sound
Grace becomes the strength to live what we found
Stepping into life
